With over seven years of diverse experience which includes operations administration, graphic design, HR, customer support, and documentation. Backed by a degree in IT and known for a methodical, behind-the-scenes approach to problem-solving, with a growing interest in data workflows and digital tools that improve organizational efficiency. Motivated by roles that prioritize structure, focus, and meaningful contribution over visibility.

## PROFESSIONAL EXPERIENCE

---

**Conference Assistant, Glaston Oyj (Tampere, Finland)** **Mar 2023 - Jun 2023**

- I gained insight about event planning software and internal collaboration tools, as well as created the conference cue sheet for six parallel sessions.
- Resolved last-minute issues on-site, ensuring seamless experiences during the conference.

**Operations Administrator, Al Salam Private School & Nursery (UAE)** **Sep 2017 - Sep 2018**

- Implemented a centralized communication platform, which boosted information transmission among 65 operations staff, increasing collaboration and transparency.
- In three months, I organized and completed at least 50% of the school's operations process goals, which included facilities management, maintenance schedules, cleaning services, security, and school activities.

**HR Admin Assistant, Integra Recruiters Asia, PTE LTD. (Singapore)** **Aug 2015 - Aug 2016**

- Onboarded 50+ new hires by managing documentation collection, including work visas, drug testing, and medical reports, ensuring 100% compliance with Singapore's ministry of manpower regulations and reducing onboarding time by 15%.
- Sealed a subcontract deal with Dragages Singapore Pte Ltd, one of Singapore's largest construction firms.

**Junior Graphic Designer, Charisma Elite Marketing (Malaysia)** **Jan 2014 - Jun 2015**

- Designed and prepared visual materials for print and digital formats, including brochures, business cards, flyers, and large-scale signage.
- Ensured high-quality output by performing prepress checks and adhering to color, resolution, and print standards.

**Customer Support, Qualfon Inc. (Cebu, Philippines)** **Jul 2010 - Mar 2012**

- Analyzed 200+ customer interactions to identify top escalation reasons.
- Assisted with phone connectivity issues using SIM card and device activation, network diagnostics, ticketing systems, and network monitoring tools.

**Technical Writer, MedSpecialized (Cebu, Philippines)** **Jan 2009 - Nov 2009**

- Created technical manuals, user guides, and product documentation in collaboration with software developers and software testers.
- Translated complex technical information into clear, user-friendly content for internal and external audiences.
